2003 yılında Uşak'ta kurulan Polat Corporation, tekstil endüstrisinde yeniliği çevre dostu üretimle harmanlayan bir şirket olarak öne çıkar. Geri dönüşüm iplik, battaniye ve dokuma kumaş üretiminde uzmanlaşmış olan şirket, Uşak Organize Sanayi Bölgesi'nde, 40.000 metrekarelik kapalı bir alanda faaliyet göstermektedir. Sürdürülebilirlik prensiplerini benimseyerek bir geri dönüşüm merkezi olarak hizmet veren Polat Corporation, OEKO-TEX ve Global Recycled Standard gibi uluslararası sertifikalara sahiptir. Küresel pazarda kaliteye ve çevre bilincine öncelik veren Polat Corporation, geleceğe yönelik yenilikçi tekstil çözümleri sunmaktadır.

Established in 2003 in Uşak, Polat Corporation stands out as a company blending innovation with eco-friendly production in the textile industry. Specializing in recycled yarn, blankets, and woven fabric production, the company operates in a 40,000 square meter facility located in the Uşak Organized Industrial Zone. Embracing sustainability principles, Polat Corporation serves as a recycling hub and holds international certifications such as OEKO-TEX and Global Recycled Standard. Prioritizing quality and environmental awareness in the global market, Polat Corporation offers innovative textile solutions for the future.
